

FIRE TEAMS MEET FOR CITY TITLE TONIGHT

BLUEBIRDS IN TOURNEY SEMI-FINALS

LOCAL PARK SITE OF CITY CLASH

Intra-department rivalry will reach a climax this evening when Fire Department A meets Fire Department B in a double header at Torrance Park to determine the City Slo-pitch Championship. First game is slated to start at 7:30 p.m.

Chief Engineer J. J. Benner will be on hand to throw in the first ball, while Fire Commissioner Vic Benstead, and other city officials will be in attendance.

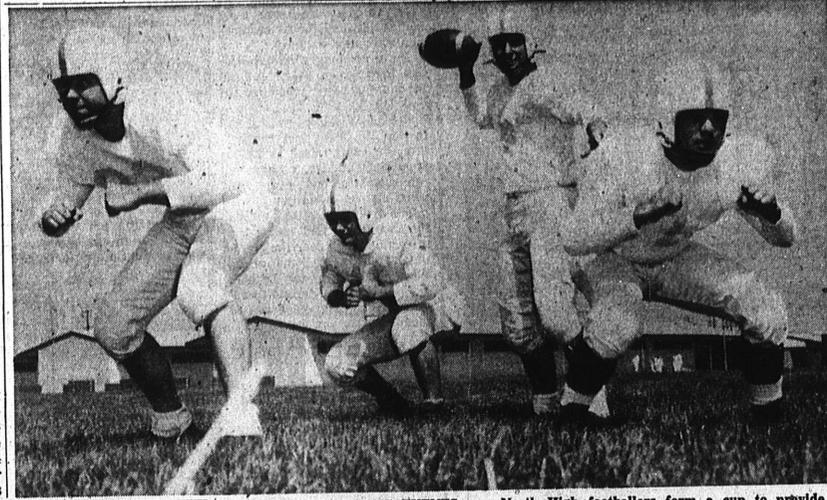

Ceremonies
Pre-game ceremonies will be highlighted by the presentation of the Blue Streak trophy to the Department A champs, and the Service Club cup to the first place Department B club. Jack Brooks and Maynard McFadden, of Joslin Lumber, will make the trophy presentation.

Defending Champs
The Department B club, defending city champs, took the Service Club pennant with 14 straight wins, running their two year streak to 24 games.

Department A took first place in Blue Streak play, running up a record of 12 wins and two losses. The play-off is scheduled as a two out of three match, with the third game slated for Sept. 19, if tonight's double-header winds up even.

Twenty-four TORRANCE HERALD SEPTEMBER 6, 1956

PREVIEW OF COMING EVENTS . . . North High footballers form a wall to provide blocking protection for the passing attack. Saxon grids forming the wall are (left to right) Jim Whitley, fullback; Bob Walker, halfback, and Tom Arzolan, halfback. Quarterback Ray Grieshaber (standing in the center) set himself for the toss. North High started first drills yesterday afternoon.

TALKS OPEN FOR NEW GOLF COURSE SITE

Possibility of the establishment of another golf course in the Torrance area was strengthened recently when the Los Angeles County Board of Supervisors, on motion of Supervisor Burton W. Chace, authorized County Manager Arthur J. Will to negotiate a lease purchase agreement for 200 acres of property.

The move authorized the opening of discussions for the lease purchase of a 200 acre site approximately 250 feet south of 189th St., between Main Street and Avalon Blvd., to the west of Torrance. The site is presently owned by the Dominguez Estates.

Lease-Purchased
Chace stated that he felt a 30-year lease, with an option to purchase the property within a 15-year period would be advantageous to the County as well as the citizens of the local area.

Unanimous Approval
Chace's proposal, unanimously approved by the Board of Supervisors, also had the wholehearted endorsement of the County's Parks and Recreation Commission.

Take Forfeit Win From Elk Outfit

Torrance's Bluebirds moved into the semi-finals of the Southern California Municipal Athletic Federation Baseball Tournament off a 9-0 forfeit win over the B.P.O.E. No. 99 at Will Rogers Park Tuesday.

The locals will go up against the winner of the San Diego Western Lumber nine and the Huntington Park Browns Sunday at Watts.

Local Cagers In Compton Games

Charley's Cafe, formerly the Torrance Merchants, dropped a 63-48 basketball game in the Compton Boy's night Basketball League Tuesday night at Compton.

Rich Ruffell led the local cagers in scoring with 13 points. Dale Mead taking place honors with 10 tallies.

The local five now start league tournament play, first game tonight, against the B. and B. Stylists for Men. In the tournament the Cafemans will be competing with teams from Whittier and Compton Colleges, as well as other top area prep talent.

In league play the Torrance quintette wound up in sixth place in final standings, after running up a fine three win and one loss record at the half way point.

After the fourth round of play Ruffell was the league's leading scorer with 87 points in four games, while Jerry Mathews ranked sixth with 52 points in four games.

Outboards In Title Races

The 1956 National Outboard Championships of the American Power Boat Assn. will be held at the Long Beach Marine Stadium Sept. 21 through 24.

Competition will be conducted by the Los Angeles Speedboat Assn. This is the first time that the APBA title meet has been held in the southwest, and the second time in California.

In 1931 Lake Merritt Oakland was the site of the championships, drawing 150,000 spectators.

Skin Divers to Hold Bal-Sub-Mare Here

The California Council of Diving Clubs will hold its annual Bal-Sub-Mare Sept. 8, at 1109 Border St. The public is invited, and tickets can be purchased at the door of the American Legion Hall.

The California Council of Diving Clubs is a voluntary non-profit association of the organized diving clubs of California.

Christian Science Heals Grief and Loneliness

To those suffering loss or separation, Christian Science comes with merciful and unending blessing. Through devoted study of its textbook

SCIENCE AND HEALTH with Key to the Scriptures

by Mary Baker Eddy many have found a steady light that pierces the dark. They have found comfort in a path which grief and loneliness can no longer shadow.

Christ Jesus' words, "I am come that they might have life, and that they might have it more abundantly" (John 10), now take on fresh assurance.

Science and Health has come in fulfillment of Biblical promise, showing the practical value of the Scriptures today.

Ford Trucks prove their dependability on the biggest construction job since the Panama Canal!

Not in 42 years has the world seen such a massing of construction men and machines. They're clearing the way to the heart of a continent—in the mighty St. Lawrence Power and Seaway project.

The going's rugged and the completion date allows no delay. That's why you find dependable Ford trucks everywhere.

How these Fords can take it! It's a proven fact: Ford trucks outlast every other leading make! And their day-in, day-out dependability is a major reason why Ford trucks cost less. It also means more work output.

Ford's first cost is low. The gas and oil economy of modern Short Stroke engines keeps running costs low. And longer-lived Ford trucks bring top dollar on resale. To get lower truck costs all around, take a tip from America's biggest truck users—the men who know truck costs best.

Ford T-800 working at the Inyoquos Control Dam built steel night and day—without setup. This Big Job offers a choice of two Torque King V-8's—200 and 212 horsepower. Power Steering and tachometer standard. Max. GVW 45,000 lb.
